

Art Song Perth Constitution

In common with all incorporated associations in Western Australia, Art Song Perth was required by the Department of Commerce, Western Australia to review its constitution and ensure that it complied with the new Incorporated Associations Act, 2015.

The Department of Commerce provided a set of “Model Rules” which incorporated associations could use as a template when revising their constitutions. The Committee of Art Song Perth made a decision to adopt the Model Rules as the basic framework for the new constitution with the addition of some minor changes to suit the specific requirements of Art Song Perth.

The new Art Song Perth constitution has been officially accepted by the Department of Commerce, Western Australia as well as the Australian Charities and Not-for Profits Commission, Canberra.
